# TO THE TRADE

## This List Cancels All Previous Lists

**Packing.** Net f. o. b. our shipping points. Packing charges are extra. We make no charge for packing car lot orders in bulk.

**Prices are subject to change without notice.**

Orders are accepted on condition that they shall be void should stock become injured by frost or other causes beyond our control. We cannot be responsible for loss caused by damage or delay in transit. If such damage occurs, it must be reported and entered immediately with your local agent of the transportation company.

**Claims** for error or shortage will be gladly corrected, but we must be notified within **ten days** after arrival of the stock. Such claims must be based upon an actual check of material at the time shipment arrives and not after it has been sold or lined out.

**Quantity Discount.** Five plants furnished at the 10 rate, 25 at the 100 rate and 250 at the 1,000 rate.

**Guarantee.** Prices do not include any guarantee of growth.

**Terms.** All accounts are due and payable 60 days from date of invoice. Cash, security, or satisfactory Trade references will be required from unknown parties. Interest at 6% will be charged upon all past due accounts. Cash discounts: 2% 10 days; 1% 30 days from date of invoice.

Where quantity ordered is of sufficient amount we can arrange for shipment by motor truck at reasonable rates. Our favorable locations make it advantageous for our customers to come with their trucks and take away their purchases.

### OUR SERVICE

We always use the greatest care in placing orders for material where we believe the customer's interests will be best served as regards transportation, etc. Sometimes we receive orders for material of which we are either sold out or do not list. In such cases we fill the order, if possible, from the nearest source of dependable stock. This service, we believe, means much to our customers, especially during the busy planting seasons.

## TRUEHEDGE COLUMNBERRY OR COLUMN BARBERRY

(*Berberis Thunbergi Pluriflora Erecta*)

United States Patent No. 110

A fine upright new form of Barberry, pyramidal, with a very dense growth and heavy foliage evenly distributed from the ground up; berries similar in color and size to *Berberis thunbergi*. Can be grown like boxwood. Very desirable for compact hedges and a welcome addition to our list of Hedge Plants.

### THE NEW HYBRID KOREAN CHRYSANTHEMUMS

This new, hardier type of Chrysanthemum is proving remarkably popular with the gardening public and is sure to be in greater demand. We are offering here the set of six varieties in rooted cuttings. Orders filled strictly in rotation. Special quotation in quantity.

**Note:** Limited space does not permit adequate description, but no amount of description could convey the real beauty of this new type. Visit the Bristol Nurseries during October. You will see the finest collection of Garden Chrysanthemums in existence.
